Greetings!

Let me tell you about K.I.D.S. Foundation's "A Trek to Remember" program.

"A Trek to Remember" is one of the more popular (and most awaited by members and volunteers) programs of K.I.D.S. Done at least once a year, we bring medical missions, schools supplies, books and rain gears to chosen remote highlands in the country. Our group composed of adventurous young professionals, young at heart, and climbing enthusiasts have one thing in common-a passion to share. Our rewards are newfound friendships, breathtaking scenery, and the high that you feel when you share.

The first trek brought us to Botok, Benguet with Naswak Elementary School as beneficiary. May of 2007, a group of 15 friends went to Barangay Cambulo, Banaue to visit Cambulo Elementary School for "*A Trek to Remember II*".

"*A Trek to Remember III*" brought us to the rocky mountains of Kibungan, Benguet to visit two remote barangays; Sagpat & Lubo to distribute school supplies, clothes, books, jackets, rain boots, shoes, bags, and to conduct medical mission and distribute vitamins to around 500 children in the area. This third trek had 96 participants, most of whom just read or heard of the trek and/or were invited by friends.

Last October 23 – 25, *A Trek to Remember IV* served the Poblacion and eight (8) coastal and remote barangays of Baras in Catanduanes with more or less 1,100 children ages 0-17 as beneficiaries.

This journey continues this March. Slated on the 19th – 22nd of March 2010, *A Trek to Remember V* will bring the medical mission and gift-giving to Miarayon in Bukidnon, and its neighboring communities serving around 1,000 Tala-Andig/locals children ages 17 years old and below..

On the other hand, should you have questions or other concerns, please do not hesitate to contact us through our Programs Manager, Ms. Roxanne T. Oquendo, at 714-39-46 or 0922-854-3733 or email to: rt_oquendo@yahoo.com.

Sincerely,
